Association Canadienne des Conseillers Hypothécaires Accrédités

Attractive Rates

Our dual rating system provides for affordable premiums for both small and large mortgage brokerage firms.

Professional Liability Insurance (E&O) for CAAMP Members

As managing general insurance agent providing Errors & Omissions insurance to mortgage brokers since 1990, ENCON fully understands the types of claims that brokers are exposed to on a daily basis. ENCON provides in-house adjusters and legal council who are experts in understanding and defending professional liability claims.

- Our program offers policy limits up to \$5,000,000 per claim with a \$10,000,000 policy annual aggregate to provide proper coverage even for commercial brokers.
- Dollar one defense with no policy deductible. Please note defence costs which are generally an expensive part of a claim payment are covered.

- Full prior acts coverage is afforded to all who join our policy. There is no retroactive coverage date. This means our policy will provide coverage from the day you commenced business.
- Libel and slander claims are not excluded.
- Mortgage Syndication is not excluded.
- Coverage satisfies the Alberta Insurance Commission (AIC) requirements for selling mortgage life insurance.
- Coverage satisfies the Financial Services Commission of Ontario (FSCO) requirements for mortgage brokers and mortgage administrators.
- Affordable policy premiums starting as low as \$750 per year with a simple four page application. Coverage can be bound on the same day the application is received.
- Comprehensive coverage and expertise in the mortgage brokering industry.

The Professional Advantage

Professional liability insurance (E&O) means just that – insurance for the professional. CAAMP strongly supports and recommends all brokers purchase Errors & Omissions Insurance to cover their business and their personal assets. One claim is all it takes to bring about the collapse of viable business.

Peace of Mind

Professional liability insurance provides peace of mind to the general public along with mortgage professionals involved with the mortgage transaction.

With one of the most comprehensive plans in the marketplace the answer is simple - CAAMP - and CAAMP's Errors & Omissions Insurance policy.
